How to Order from Fair Share Farm (FSF) Specialty Vendors

FSF Specialty Vendors supply product to CSA members on an “as-available, as-ordered” basis. Information about each Specialty Vendor can be accessed on the FSF blog site [\(insert exact URL to view this info\)](#). When these vendors have products to offer to FSF members, we include that information through the Farm’s weekly e-mail and blog **the week before that vendor plans to distribute product ordered.**

Members interested in purchasing these vendor products will need to:

- Review vendor information on the FSF blog site [\(insert exact URL to view this info\)](#) to ensure that the vendor’s farm and products offered are a good fit for your household food needs.
- Contact the vendor directly and arrange for payment and delivery either at the your current FSF pick-up site or at an alternate site that meets both the vendor’s and your needs.
- Be sure to pick up the product ordered at the specified location and time.
