

**Fair Share Farm  
Wish List 2008**

We are in the process of purchasing our equipment for 2008. The Core Group has suggested that we circulate a Wish List to the membership for some of the types of items folks may have around the house that they want to get rid of anyway. If there is anything else that comes up in your new year's cleaning that you think could help us at the farm, let us know. THANKS !!!
